Confidential Prayer Support

Prayer Chain Convenor, Gail Higgs-West, decision@clear.net.nz

There are times when we all appreciate the knowledge that others are praying for us or for someone close to us. If you would like a group of St John's Church people to pray for someone or something which concerns you please first get the permission of the person concerned (if that person is not yourself) and contact the convenor of our prayer chain, Gail Higgs-West at decision@clear.net.nz.

Gail will email the members of the prayer chain who will pray on a regular basis. They would also appreciate updates and/or knowing when they can give thanks for answered prayer.

This support is confidential. However you are wise to limit your disclosure. Keep the prayer request brief with the minimum of detail. If you wish to discuss your prayer needs or would like to be prayed with personally please speak with your elder, contact one of our ministers.
